Choose your date

You can choose from Monday, Tuesday or Wednesday (Excluding Holidays). Fundraisers may be held between the hours of 5 and 8 PM. **Only DINE IN and CARRY OUT orders apply** (sorry, NO deliveries)

Print your flyers

We have a sample flyer, you just need to personalize it, print it and pass it out. We will only give you credit for the sales that you send in and we can only track this by the people that come in with your flyers, or mention your fundraiser name. Please do not solicit our walking customer.

Promote your event

Your group is responsible for promoting the event. Feel free to pass out flyers, tag us on Facebook, email blast your friends, etc. Your goal is to bring in lots of people, the more the merrier!

We suggest your group to order at regular price so you can earn more money.

Collect your Check

If you do a great job promoting your event then we'll be more than happy to write you a big check. Most restaurant fundraisers give you 10-15% of the sales that you bring in, but we will write you a check for **50%! If your group brings in \$2000, you will receive a check for \$1000!**

We will donate a percentage of the total net sales (minus sales tax).

Your fundraiser will receive:

15% of net sales when you bring in \$1-\$499

50% of net sales when you bring in \$500-up
